

Fairfields Primary School

Maths Vocabulary

YEAR SIX

Years 1-5 vocabulary and:

Number and Calculation

intervals
common factors

long division
common multiples

multi-step

Fractions

simplify

degrees of accuracy

Ratio and Proportion

relative size
ratio as a:b

scale factor

proportion

Algebra

symbol
sequence
unknown
generalise

letter
algebraic(ally)
variable

formula(e)
equation
constant

Measurement

mm³
mph

km³
m/s

speed
km/h

Geometry

quadrant(s)
radius
vertically opposite
quadrants

dissect(ion)
diameter
complementary angles

net(s)
circumference
Pi (TT)

Statistics

pie chart
data set

average

mean
