Headteacher
Mr G. Gaidoni

16th January 2025

Dear Parents & Carers,

Year 3 Science Light Workshop

In Year 3 science we are learning about light. To help reinforce the learning about this, we have asked 'Setpoint Hertfordshire' to come and work with the children.

This will take place in school, during the morning on **Thursday 6th February**. The PTFA have kindly covered 40% of this cost, therefore we would like to ask you for a non-refundable voluntary contribution of **£2.65** per child.

This is payable on School Gateway, our preferred method of payment. Permission to attend this workshop can also be given on School Gateway so there is no need to complete a separate permission slip. Please make payment by **Friday 31st January**. For the workshop to run, we require three additional adult helpers. If you are available on this morning and able to volunteer, please type 'Yes' in the comments section on Gateway. If you are unable to help, please type 'No'. You will be unable to check out without typing Yes or No. We will let you know if you have been successful nearer the time.

Please be aware that if we do not receive enough contributions then the workshop will be cancelled and all monies paid refunded.

If you are in receipt of Benefit Related Free School Meals then the school will meet the full cost of this workshop. Please contact the school via email or message on School Gateway confirming that your child is eligible and give consent for your child to attend this workshop.

If you require financial support then please contact the school for a Financial Support Request Form.

If you have any questions then please speak to one of us.

Yours sincerely,

Mr Weatherhead, Miss Cooper and Mrs Cooper
Year 3 Teachers
