

February Half-Term

# Smarties Challenge

Please add  
your class name  
to the tube.

Your hard work deserves a treat,  
A packet of sweets for you to eat

The challenge isn't over yet,  
There's one more part for us to set

When the tube is empty don't throw it away,  
do some chores & be rewarded with pay

Bring your hard-earned coins to school,  
And help fund activities that make learning cool.

Return your filled Smarties tubes to school by Wed 25th February.

Class who return the most filled tubes and  
the class who raise the most win a class party.
