Dear Parents & Carers,

Year 5 – Science Workshop

Two of our Science topics this term are Space and Life Cycles of Animals. To help reinforce the learning about these, we have asked Education Group Ltd to come and work with the children.

This will take place in school throughout the day on **Tuesday 16th June** in our respective classrooms. The PTFA have kindly covered 40% of this cost, therefore we would like to ask you for a non-refundable voluntary contribution of **£7.78** per child.

This is payable on School Gateway, our preferred method of payment. Permission to attend this workshop can also be given on School Gateway so there is no need to complete a separate permission slip. Please make payment by **Monday 15th June**.

If you are in receipt of Benefit Related Free School Meals then the school will meet the full cost of this workshop. Please contact the school via email or message on School Gateway confirming that your child is eligible and give consent for your child to attend this workshop.

If you require financial support then please contact the school for a Financial Support Request Form.

If you have any questions then please speak to one of us.

Yours sincerely,

Mr I. Gonzalez and Mr P. Vincent
