

20<sup>th</sup> January 2026

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 30 January 2026**. (We are celebrating Number Day a week early this year!)

## **Everything the NSPCC does protects children today and prevents abuse tomorrow**

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **45 seconds**

## **Making maths meaningful**

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- We are going to do some fun maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (e.g. football shirt, cap or netball shirt). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for a suggested donation of £1 per pupil, and we would love everyone in the school to take part in this special event. **You can make your donation via School Gateway.**

## **It all adds up**

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Fairfields will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Mrs J Pedley and Mr P Vincent

Maths Subject Leaders
