

Year 2

English

This week in English we are continuing with our work about writing instructions on how to be a good friend. We will use command sentences to make our instructions clear and easy to follow. When we have completed our instruction work we will start a poetry module discovering how to create a list poem.

What can you do at home to help your child?

- ✓ Read **with** your child and **to** your child, perhaps they could read aloud to another child or adult.
- ✓ Follow instructions to make o a cake or play a board game.

Maths

This week in maths we will be adding and subtracting ones. We will be adding, making 10. We will be adding 3 1-digit numbers. We will be adding to the next 10.

What can you do at home to help your child?

- ✓ Look at a two-digit number and describe it in tens and ones.
e.g 45 is 4 tens and 5 ones
- ✓ Ensure your child knows their number bonds to 10 and progress to 20.
- ✓ Practise adding and taking away mentally.

Geography

We will be continuing our topic of forests and map making. We will look at the details included in the key of a map and how to use compass directions! The children will have an opportunity to look at various maps of the local area and the UK. We will consider how compass readings might help us when using a map.

What can you do at home to help your child?

- ✓ Try this game...

[Play Follow the Direction \(NSEW\)](#)
