

Year 1 – Week commencing 13.07.2026

Outlined below is this week's working focus for the children and handy hints to help you support your child at home.

The team in Year 1 would like to say a huge **thank you** for your help and support with the children this year. We hope you have a summer full of fun and restful times!

Maths

This week in maths we will be practising our adding and subtracting of numbers up to 20, counting in 2s, 5s and 10s and recognising shapes. We will recap our work on fractions and identify o'clock and half-past times. Finally, we will use the skills we have learnt this year to solve some mathematical mysteries.

What can you do to help your child?

- Practise adding and subtracting numbers up to 20 - use small objects such as Lego or beads to help.
- Count in 2s, 5s and 10s together - try to get to 100!
- Split groups into halves and quarters.
- Spot o'clock and half-past times on a clock.

English

This week in English we will be completing some summer themed independent writing. We will flash back to our work on poetry and spotting rhyme, practising adding prefixes and suffixes to root words and using our comprehension skills to answer questions about a text.

What can you do to help your child?

- Read the library book together.
- Practise using phonics to read unfamiliar words.
- Discuss the books you have read with your child.
- Try to include reading information (non-fiction) books where possible.
- Read and write words and sentences containing the relevant phonic sounds.
- Practise forming letters correctly and writing simple words and phrases.

- Practise writing simple sentences using capital letters, full stops and finger spaces.
- Practise sequencing the main events in a story you have read together.
- Practise describing the characters in a story.
- Read a range of poems.

Phonics

This week we will be re-capping all of the GPC's we have learnt in Year 1.

Art & D&T

This week we will be finishing our work on healthy eating in D&T. We will be using our design sheets to make picnic food skewers; we will then evaluate our work, noting what went well and what we might change next time.

We will also explore sculpture in our art lessons. Using recycled materials, we will create boats that float and sea creatures to sail in them.

Spellings

Given out - Monday 13th

Test - Monday 20th

This week's spellings

wit	bark	final	naughty
hem	wax	space	choice
yum	hard	live	climbing
cog	kick	love	large
	farm	brother	before
	pool	cheese	final
	park	purse	climbed
	card	dance	badge

Summer Week 12

Please remember that school finishes at 2:25pm on Tuesday 21st July.

We wish you lots of luck in Year 2. We hope you have a lovely break and come back and see us in September!

Have an **AMAZING** week!
Mrs Azmi and Miss Bates
