

What We Are Learning This Week in Year 5

Week Commencing 13th July 2026

English

This week we will continue to focus on recapping some of the grammatical features that we have found the trickiest to include in our writing. We will also recap the concepts required to successfully answer in-depth reading assessment questions.

This week's spellings:

We will not be setting specific spellings to learn this week, as we will be revising the Year 5 and 6 spelling list throughout our English lessons.

Things to do at Home

As with last week, it will still be beneficial to look at the following sites with your child to gain a better understanding of the various terms and features we use in school:

- [Punctuation](#)
- [Grammar](#)

Having introduced the children to the Year 5/6 spellings we will practise these throughout the week and it would be useful if they were able to revise these at home.

accommodate	correspond	identity	queue
accompany	criticise (critic + ise)	immediate(ly)	recognise
according	curiosity	individual	recommend
achieve	definite	interfere	relevant
aggressive	desperate	interrupt	restaurant
amateur	determined	language	rhyme
ancient	develop	leisure	rhythm
apparent	dictionary	lightning	sacrifice
appreciate	disastrous	marvellous	secretary
attached	embarrass	mischievous	shoulder
available	environment	muscle	signature
average	equip (-ped, -ment)	necessary	sincere(ly)
awkward	especially	neighbour	soldier
bargain	exaggerate	nuisance	stomach
bruise	excellent	occupy	sufficient
category	existence	occur	suggest
cemetery	explanation	opportunity	symbol
committee	familiar	parliament	system
communicate	foreign	persuade	temperature
community	forty	physical	thorough
competition	frequently	prejudice	twelfth
conscience	government	privilege	variety
conscious	guarantee	profession	vegetable
controversy	harass	programme	vehicle
convenience	hindrance	pronunciation	yacht

Maths

In our maths lessons this week, we will continue to revisit some previously taught topics as well as introducing some fun maths investigations that encompass this year's work. This will include Soduko, Countdown, long multiplication and long division related games.

Things to do at home:

You could show your child how to play Sudoku using this [website](#). You could also play Countdown with the following [website](#).

Please remember...

Children need to be sent in with a named hat and water bottle to ensure they stay as cool and hydrated as possible. Thank you.
