

Year 6 – Week Beginning 07/07/25

English

This week we will be continuing with our class book: 'Holes' by Louis Sachar. We will be completing some comprehension activities and discussing characters' actions.

What can you do at home to help your child?

- ✓ Look together at any complex vocabulary in your child's reading book. Discuss the meanings of unknown words.
- ✓ Look at how sentences are punctuated with full stops, commas, capital letters, question marks and exclamation marks. Discuss how they help with meaning and fluency when reading a text aloud.
- ✓ Using your reading book, write a prediction of what may happen in the next chapter.

Science

This week we will begin our new topic of 'Light'. We will firstly look at how light travels, how it is seen by the human eye and how shadows are created.

What can you do at home to help your child?

- ✓ How the eye detects light
