Dear Parents and Carers,

The London Marathon – Thank you

As you know, two members of the Fairfields staff ran the London Marathon on the 27th of April.

They were so grateful for your support, and have written the following:

Mrs Pedley and Mr Zarkadoulas would like to say a massive thank-you to everyone for supporting their London Marathon charities either by individual donations or non-uniform day donations. We are both incredibly proud of completing the marathon and also raising lots of money for the North London Hospice and CHEXS. It was an amazing day from start to finish although the weather could have been cooler! Thank-you so much for your support!

Early Years Play Areas

You will have noticed that the Early Years works are now complete and are being enjoyed throughout the day by the children. Our Early Years outdoor environment improvements will continue however, with new fencing for the Nursery. This will be installed during the summer holiday.

School Photographs

Please note that the school photographer will be in school on Friday the 6th of June to take Class and Team photos. Please ensure your child is in full school uniform including jumpers.

Staff Car Park – Safety Notice

Please do not walk across the staff car park, as we have staff cars manoeuvring in the car park at the beginning and end of the school day. We have had a number of occasions where parents and children have been walking through the car park rather than using the pathways. This is dangerous for both pedestrians and drivers. On one occasion a child had gone ahead of their parent and stepped out in front of a car. Please could we remind parents to use our paths and set a good example for the children. Please do not walk through the vehicular gates whilst they are opening or closing as this is not safe. Thank you for your cooperation.

Yours sincerely,
Mr G. Gaidoni.
